

Your was captured by our enemies or something what ever it is?? But still it was definitely under that period when you where in my home network and did a long period of service work to trying stop 🛑 all this? What's happened instead of what your team. mentioned

Now you going to listen to your OWN ❄️ESA❄️ and also your R.A....

Yes! It's true that it's only start conflicts..! But you have to understand that "is not their own minds" It's only the humans enemies how has used advanced mind control! And it's only happened to people close to the few how are strong enough to be dangerous for them!And it's not the victims fault at all! But there is going to be a end of all that right now! But not in the way of blaming all those people who are captured in a way of completely helpless of seeing this or can't break it bye them self! supposed to of are the cause of how the humans are in a bad situation and it had started all ready before you was at teverything

Who ever it is!? That FUCKING How have lied to my MOA AND SAID THAT SOME POLICE TOLD THAT SHE CAN'T BE WITH ME!? ARE GOING TO ERASE THAT LIE RIGTHT NOW!! I don't believe that someone can do that to someone's girlfriend!!

Fix that RIGHT NOW!!! Let here know that it's wrong!
